

**Firestone Request for Access to all Docket 06-241 Information – December 28, 2006**

Dear Mr. Howatt,

Commission Rule 11(e) provides that the “Commission, Commission Staff, and the Division of Public Advocate shall have access to all documents for which confidential treatment has been claimed. Access to non-public information shall be made available to all other parties, including consultants retained by the Commission, Commission Staff, and the Division of Public Advocate, upon the execution of an appropriate agreement by the parties or entry of a protective order by the Commission or designated Presiding Officer or Hearing Examiner.”

I am interested in executing an appropriate agreement or having the Commission enter an order so that I can gain access to all documents in 06-241 for which confidential treatment has been claimed.

Also, when will non-confidential information regarding the bids be posted on the web?

Warmest regards,

Jeremy Firestone
